DETAILED ACTION

Allowable Subject Matter

Claims 1-5,8-12,23-27 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to claims 1, 8 and 23, none of the prior art of record discloses detecting a maximum number of nodes that may be coupled to the first node; and determining a size of the portion of the first memory in response to the maximum number of nodes in combination with the other claim limitations. Therefore claims 1, 8 and 23 are found allowable over the prior art of record.

Claims 2-5, 9-12 and 24-27 are allowable as dependent upon allowed claims 1, 8 and 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul A Baker whose telephone number is (703)305-3304. The examiner can normally be reached on M-F 10am-6:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mano Padmanabhan can be reached on (703)306-2903. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
